1. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them until the year 2010 A.D., at which time said covenants shall be automatically extended for successive periods of ten (10) years. 3. Invalidation of any of these covenants shall in no way affect the validity of the other provisions, which shall remain in full force and effect.
4. All lots in Sandia Heights South, Unit 15, are hereby designated residential lots. No structures shall be erected, altered placed or permitted to remain on any lot other than one detached single-family dwelling, and buildings related thereto, except that this provision shall not prevent the combination of adjoining lots for one such dwelling; however, in no event shall any lot be further subdivided. The Grantor may dedicate one or more lots, or any such portion thereof, as a park.
5. Except by specific consent of the Architectural Control Committee, no building shall be located on any residential lot nearer than thirty-five (35) feet to the front lot line or fifteen (15) feet to the rear or any side lot line.

Such plans shall include plot plans showing the location on the lot of any structures proposed to be constructed, placed, altered, or maintained, and elevation of same, together with the proposed color scheme for roofs and exteriors thereof, indicating materials for same.

8. **ANY VISIBLE HEATING OR AIR CONDITIONING EQUIPMENT SHALL BE THOROUGHLY SCREENED, NO UNSCREENED ROOF MOUNTED HEATING AND AIR CONDITIONING EQUIPMENT, WILL BE APPROVED. The Committee shall approve or disapprove said plans and specifications within thirty days from the receipt thereof. One set of said plans and specifications with the Committee's approval or disapproval endorsed thereon shall be returned to the owner and the other copy thereof shall be retained by the Grantor.

The Committee shall have the right to disapprove any plans, specifications or details submitted to it as aforesaid, in the event such plans and specifications are not in accord with all the provisions of this declaration, or if a design or color scheme in the proposed structure is not in harmony with the general surroundings of such lot or the adjacent structure, or if the structure shall unduly interfere with the view from nearby residences, or if the Committee deems said plans and specifications to be contrary to the spirit and intent of these restrictive covenants, or contrary to the interest and the welfare and rights of all or any part of Sandia Heights South, Unit 15. The decision of the Committee in any of these matters shall be final, and no building or improvement of any kind shall be constructed or placed upon any lot in Sandia Heights South, Unit 15 without the prior consent of the Committee.
